Mr. Tovar

My qualifications are as followed:

- A. Member of the Missouri City Chapter since 2001
- B. Vice President of the Missouri City chapter for two years
- C. Secretary of the Missouri City Chapter for one year
- D. Committee member of the Constitution and ByLaws at the local level
- E. Have assisted the tournament chairman during our local tournaments
- F. Active in fund raisers for the Missouri City Chapter
- G. Alternate Delegate during Winter Meeting in Alice, TX and the National Convention and Tournament in Ft. Worth, TX.
- H. Hosted 3rd National Delegates in the year 2008

Qualifications at the National Level

- A. Vice President of the National Women Committee for 2 years
- B. Active in fund raisers for the National Women Committee
- C. National Secretary from 2007 to the present time

Since the elections in Ft Worth Texas in 2007, I have updated the Constitution and By-Laws, and several documents that were distributed during our 3rd Meeting in San Antonio Texas in 2007. Each delegate received all the above information in a binder for easier updating in the future.

I am in contacted with all 44 chapters at the present time. I understand this was never done. I am very glad that I was able to accomplish that feat.

I attended several invitationals and local tournaments in the last year. It gave me an opportunity to meet members from local clubs and listen to there concerns and wants from the National Officers.

If elected, I intend to continue on the same path, make it better and continue to listen to our members concerns

Thank you
