NPAGA Election Committee

I am proud to announce that I would like to administer the position of the National Pan American Treasurer. I can pledge to you, that I will use all my ability to bring our reports into an Accounting Software were we can accurately see the direction we are going through colorful graphs.

My experience with accounting is as follows;

- 1: I am Co-Owner & Treasurer of Ram-Gear Manufacturing, Inc.
- 2: I have been an active member of the Alice PAGA since 1994
- 3: I have been the Treasurer of the Alice Chapter for three terms.
- 4: I have been the President of the Alice Chapter for three terms.
- 5: I was President and in charge of all the activities in our 2007 Winter Meeting.

I will work not only with the new administration, but the past Treasurers to gather all the accounting history so we can have a brighter scope of how our club is doing.

I am asking all the Chapters to support me in the elections at the National Meeting in Corpus Christi.

Thanks,
Roy Tagle
