## Alice Chapter

January 19, 2009

Dear Members,

It gives me great pleasure and I am truly honored to be the one to announce and endorse Mr. Roy Tagle as the next Treasurer of the National Pan American Association. I strongly believe that Roy brings to the table a great deal of respect not only from his colleagues at the golf course but also from his many business associates. Roy's involvement and performance during the 2007 Winter Meeting held in Alice showed his true character. His final financial report was clearly transparent and the financial results very positive. With this type of leadership our national organization cannot go wrong. He has surrounded himself with true friends and circle of professionals who are at his disposal.

In addition to being a strong supporter of PAGA he and his family including his brother and partner Ramiro Tagle are involved community projects that promote education and other worthy causes. He is a native of South Texas and a long time resident of West Texas now living in Alice. With this type of living experience and knowledge in working in diversified environment can only lead to a strong and unified national organization. Roy's business background and experience is another leading indicator as why he should be elected treasurer. As the co-owner of RAM-GEAR Manufacturing, Inc. and Chief Financial Officer Roy will be bring knowledge, experience and integrity to the table. If you rely want to feel the real tag-team experience consider **Roy Tag-le** as your next National Pan American Golf Association Treasurer.

Respectfully Yours,

*Onesimo Castillo*
