It's been an honor and privilege as your national president to have worked in harmony with my fellow NPAGA officers and all chapter delegates for the past two years and feel that our mission to improve our organization is currently blossoming and headed to a successful and exciting future.

During my current two-year term as president, I have established a successful NPAGA 3rd Delegates Meeting & Workshop trend that has gained popularity with our local chapter members at large by participating in all topics of discussion that I have introduced during our last two national Workshops.

Your workshop topic suggestions, ideas and concerns have contributed greatly to the betterment of our organization since the inception of our 3rd Delegates Meetings & Workshops and it is my desire to continue working in harmony with all of you as we launch another exciting two year term as your National PAGA President.

Thank you for your vote and support in advance,

E. Toyo Amador – National PAGA President 2008-2009
