Jesse, Roy and Charlene:

I just want to take a moment to personally thank you for coming to the great city of Amarillo this week-end to play in our Memorial Scholarship Tournament.

Your presence at this tournament has been of great benefit to our small chapter. I heard nothing but positive comments and several comments about the excitement for the coming year. You shared many good and productive ideas for our chapter to use in increasing our membership and raising the morale of the members that have been so loyal to the Amarillo PAGA for so many years. I cannot begin to tell you how grateful I am, that you took the time to make the trip to the panhandle even though you knew the weather was not going to be good. Brrrr, it was a little chilly!

After you left the clubhouse, several of the players came up to me and thanked me for still having this tournament. I explained to them what a great part they play in helping us raise scholarship money for needy students that want to further their education. Raising scholarship money has been one of the driving factors for me as well as several of our members. I appreciate the motivation and the rekindling of the flame that Jesse's words gave to us. I truly believe that next year will be one of our better years in Amarillo and I thank all 3 of you for playing a big part in getting us re-started. Thanks to Roy for providing us with the 100.00 gift card. Thanks to Jesse for his kind donation. Thanks to Charlene for her networking and encouragement.

I would like to acknowledge the sponsors that bought Tee Boxes in order to raise this much needed scholarship money.

First and foremost a huge thanks to Gene Messer Ford and David Beer, General Manager. He provided us with 3 hole-in-one prizes; a 2010 Ford Mustang, a Callaway set of golf clubs and a Bose stereo system. Unfortunately, there was not a winner for any of these prizes. Just that fact that he worked with us and provided the prizes was a boost for us.

Many, many thanks to Rosa Saucedo who made sure we had hot food and also gave us the gift basket. Thanks to Janelle Ven and Kathy Fletcher for pitching in to get the food ready.

Thanks to George Priolo and his staff at Comanche Trails Golf Course who work so well with our chapter tournament after tournament.

Last but certainly not least, thanks to Fred Gamboa, Frank Saucedo and Rudy Ibarra who worked so hard and made so many calls to sign up players and get everything set up for this tournament.

I am deeply grateful and very proud to be part of this National organization. Our history runs deep up here in the colder part of the state. Thanks to the National PAGA, we will continue to be part of the organization for many years to come.

Sincerely,

Maria Guerrero
